3. Na sljedećem ekranu kliknite na "Registracija" u donjem desnom kutu. Ako ste već primili e-poštu i lozinku za registraciju, nastavite s točkom 7.

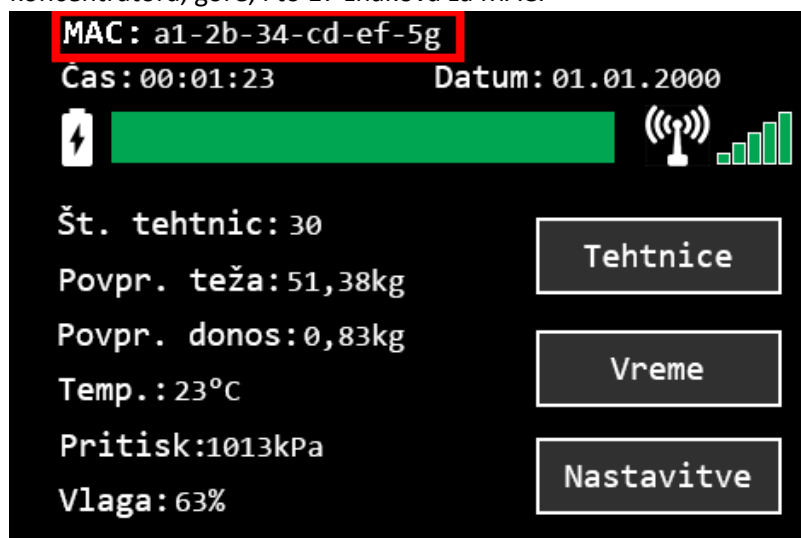

The screenshot shows the BeeConn login and registration screen. It features the BeeConn logo at the top, followed by the text "BeeConn - Prijava". Below this are two input fields: "Email" and "Geslo". There is a checkbox labeled "Zapomni si me" and a link "Pozabljeno geslo?". A large teal button labeled "Prijava" is positioned below the input fields. At the bottom, there is a link "Nov uporabnik? Registracija" which is highlighted with a red rectangle.

3. Unesite podatke i završite s klikom na "Registracija".

The image shows a registration form for BeeConn. At the top is the BeeConn logo, which consists of the word "BeeConn" in black text next to a yellow square containing a black bee icon. Below the logo is a horizontal line with the text "Registracija novega uporabnika" in the center. The form is divided into two sections. The first section is titled "Osebni podatki" (Personal data) and contains four input fields: "Ime" (Name) and "Priimek" (Surname) are side-by-side, "E-mail" is below them, and "Geslo" (Password) and "Geslo-ponovitev" (Repeat password) are side-by-side at the bottom. The second section is titled "Podatki naprave" (Device data) and contains one input field labeled "Identifikator koncentradorja" (Concentrator identifier). At the bottom of the form is a large teal button labeled "Registracija" with a small icon of a document. Below the button is a link that says "Že imate uporabniško ime? [Prijava](#)".

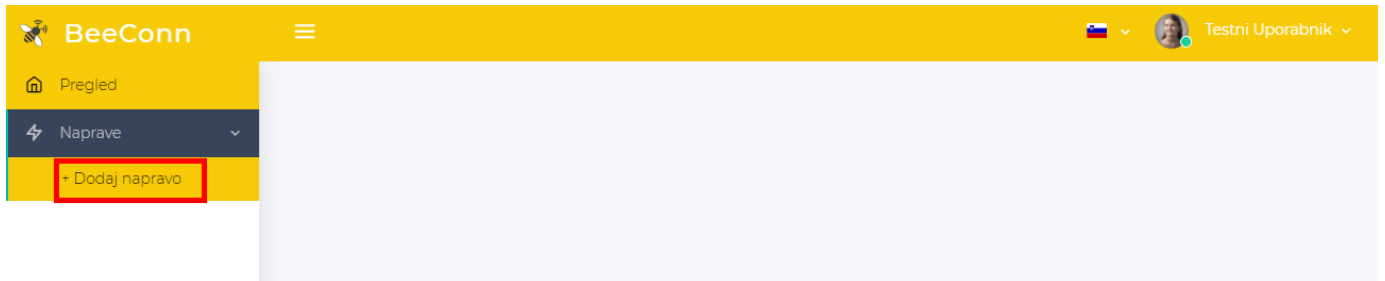

4. Informacije o uređaju ili identifikator koncentratora možete pronaći na prvom zaslonu koncentratora, gore, i to 17 znakova za MAC.

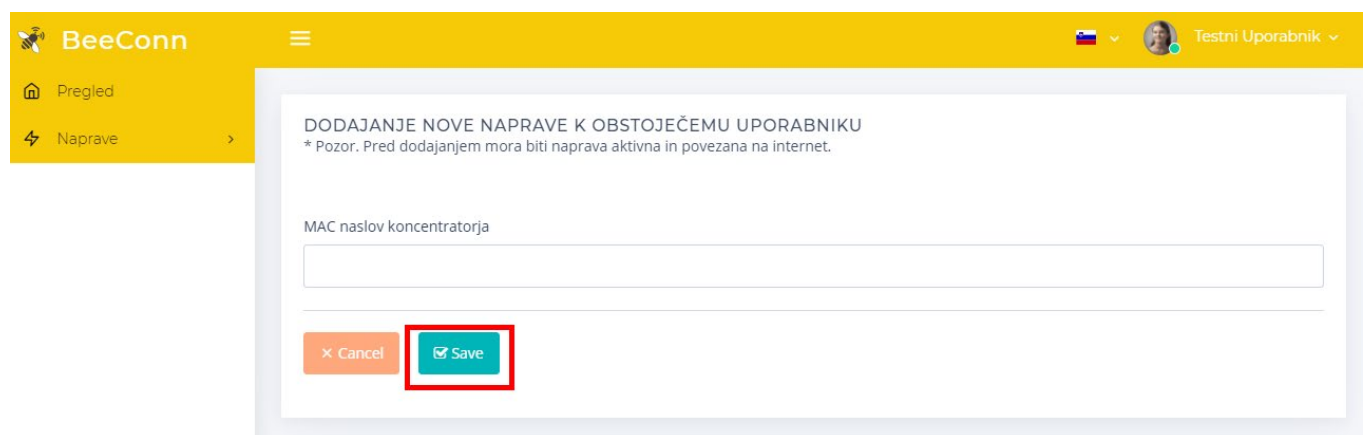

The image shows the first screen of a concentrator. At the top, the MAC address "MAC: a1-2b-34-cd-ef-5g" is displayed in white text on a black background and is highlighted with a red rectangular box. Below the MAC address, the time "Čas: 00:01:23" and the date "Datum: 01.01.2000" are shown. To the left of the time and date is a battery level indicator consisting of a white battery icon and a green bar. To the right is a signal strength indicator consisting of a white antenna icon and four green bars of increasing height. Below these indicators, there are several status readings: "Št. tehnic: 30", "Povpr. teža: 51,38kg", "Povpr. donos: 0,83kg", "Temp.: 23°C", "Pritisk: 1013kPa", and "Vlaga: 63%". To the right of these readings are three buttons: "Tehnice", "Vreme", and "Nastavitve".
